87th E.C.& C. Convention, Sarnia

Annual Billing: Commencing on October 1, 2005, clubs will be billed in three groups according to their Club organization date. Our organization date was April so that our first annual one lump-sum-payment, according to the recently passed motion at St. Louis, will be March 31, 2006. Until then we will continue to pay as we have in the past.

367 delegates attended this year's E.C. & C. convention. The following is a resolution, not a motion, which will be forwarded, following proper channels, to the International Convention in Hawaii next year: “**That Kiwanis International all Kiwanians and all Kiwanis Clubs within the Districts of Kiwanis International undertake to support and actively develop programs that will address HIV/AIDS problems affecting the children.**” This should identify a major ideal that Kiwanis will be accepting as a world-wide project now that our commitment to IDD has been finalized. Let us hope that it will be accepted and passed next year.
