“We Build.”

November 11, 2004

“When we build, let us think we build for ever.” John Ruskin 1819-1900

Veterans' Night November 4

The kids of Glendale High School showed how much Robin Barker-James has instilled in them about the sacrifices made by so many people in the modern wars the world has entered.

The Veterans present showed their appreciation for the efforts of the amateur thespians. Certainly the life and death of Lt. Col. John McRae have had a long-lasting influence on how we view Remembrance Day.

Many thanks go to our Program and Meetings' Committee for helping all of us to remember.

For posterity, Ian would like the names of all the veterans present for this photo. Check the photo available at Thursday's meeting.

We have also been able to gather a number of sponsors, door prizes and silent-auction items. If you can donate an item for the silent-auction, or door prize, speak with Earle Wineberg.
